As a world class multidisciplinary journal, the Journal of Advocacy, Research and Education [JARE] offers a hub for the publication of novel scientific research works. In this current issue, the JARE Team published ten [10] papers from Ghana, Japan, Russian Federation, Serbia and Ukraine. As we work to advance our mission, the JARE Team will also like to announce its 2018 Open Call for Special Issues.

Themes/topics for proposals must denote a scope that is important and critical for present global development and also in line with JARE's mission statement. Assessment for relevance and novelty will be carefully employed by peer reviewers to select the best proposals.

Outline for the proposal should include, but not limited to:

1. complete names, affiliations and addresses [including emails] of the guest editor[s];
2. maximum of 8,500 words [including tables, figures and references];
3. timetable;
4. 10–15 potential reviewers.

Completed proposals should be sent to the Editor-in-Chief [[✉ kad@africamail.com](mailto:kad@africamail.com)] before 31st December, 2017.

Thank you and hoping to receive your brilliant proposal.
